

PROFILE

I am a family-oriented person and I believe your home is where you make memories with your loved ones. This belief is one of the reasons I became a REALTOR. I have lived and worked in Lapeer my entire life, so I am familiar with the area. I am a dedicated, determined, and highly motivated individual that loves to assist others in obtaining their dreams and goals. Whether you will be selling a house or buying a home, I will work hard to find the right fit for you and your family.
